SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or

other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

- (1) Type of Information Collection: Revision to Currently Approved Collection
- (2) Title of the Form/Collection: Annual Progress Report for STOP Violence Against Women Formula Grant Program
- (3) Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Form Number: 1122-0003. U.S. Department of Justice, Office on Violence Against Women
- (4) Affected public who will be asked or required to respond, as well as a brief abstract: The affected public includes the 56 STOP state administrators (from 50 states, the District of Columbia and five territories and commonwealths (Guam, Puerto Rico, American Samoa, Virgin Islands, Northern Mariana Islands)) and their subgrantees. The STOP Violence Against Women Formula Grants Program was authorized through the Violence Against Women Act of 1994 (VAWA) and reauthorized and amended in 2000, 2005, and 2013. Its purpose is to promote a coordinated, multi-disciplinary approach to improving the criminal justice system=s response to violence against women. The STOP Formula Grants

Program envisions a partnership among law enforcement, prosecution, courts, and victim advocacy organizations to enhance victim safety and hold offenders accountable for their crimes of violence against women. OVW administers the STOP Formula Grants Program. The grant funds must be distributed by STOP state administrators to subgrantees according to a statutory formula (as amended).

- (5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply: It is estimated that it will take the 56 respondents (STOP administrators) approximately one hour to complete an annual progress report. It is estimated that it will take approximately one hour for roughly 2500 subgrantees¹ to complete the relevant portion of the annual progress report. The Annual Progress Report for the STOP Formula Grants Program is divided into sections that pertain to the different types of activities that subgrantees may engage in and the different types of subgrantees that receive funds, i.e. law enforcement agencies, prosecutors= offices, courts, victim services agencies, etc.

- (6) An estimate of the total public burden (in hours) associated with the collection: The total annual hour burden to complete the annual progress report is 2,556 hours.

¹Each year the number of STOP subgrantees changes. The number 2,500 is based on the number of reports that OVW has received in the past from STOP subgrantees.
